### **Recommended with the:**

BBQ26 & BBQ26S - Approximately 10-15 lbs. of charcoal to cook 15 lbs. of chicken for first rack. If you wish to continue to a second rack, add approximately 5-8 lbs. For other cuts of meats, grilling, smoking, etc., put in your desired amount.

**Meadow Creek Welding uses only food grade T-304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to: Grates, racks, shelving, work surfaces and complete units constructed primarily of stainless steel and sold using that description.**
