Recommended with the:

BBQ60 - Approximately 40-45 lbs. of charcoal for grilling on a full grate. May vary depending on your grilling time and cuts of meat.

Meadow Creek Welding uses only food grade T-304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to: Grates, racks, shelving, work surfaces and complete units constructed primarily of stainless steel and sold using that description.
