PR36 - Approximately 40 lbs. of charcoal to cook a small pig, or Boston butts & briskets for approximately 8-10 hours. 10 lbs. of charcoal will grill lots & lots of steaks, burgers, dogs, etc.

Meadow Creek Welding uses only food grade T-304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to: Grates, racks, shelving, work surfaces and complete units constructed primarily of stainless steel and sold using that description. Cooking equipment manufactured by Meadow Creek Welding is used by restaurants, caterers, and other food professionals nationwide.
